## Gennady Livshits

Gennady Livshits was born in a Jewish family in the former Soviet Union. Gennady and his wife Svetlana have been living in Canada since 1981 and have four children. In 1985 Jesus touched Gennady and Svetlana's heart in a dramatic supernatural experience. It was in 1991, when God's calling on Gennady and Svetlana's life was put into action. They began working for Sid Roth's Messianic Vision in Brunswick, GA. This Ministry was to pioneer a new congregation amongst the Russian Jewish people in New York City. In 1993 the Lord led the Livshits family to Edmonton, AB, to establish their home. Gennady began traveling as a teacher. In his travels across North America, Gennady has seen deliverance, healing, and other manifestations of God's Power.

Many have received encouragement, prophesy, words of knowledge, words of wisdom and were healed through the ministry of Gennady Livshits. In 1997, the Lord called Gennady, Svetlana and their family to Montreal where they have established House of David Ministries as well as a television program House of David Presents.
